Your telephone will "take" you almost anywhere

You are within speaking distance of persons miles away—across cities, states and even in countries beyond an ocean—by telephone! A distant friend, a relative, an absent wife or husband; you can visit them almost anywhere by telephone. The charges are so moderate that regular visits, even over great distances, are always worth far more than they cost.

It is our aim to furnish the best possible telephone service at the lowest possible cost
